Margherita Sorgentone is an architect and co-founder of Forms of Commons. She graduated in Architecture from the Accademia di Architettura di Mendrisio in 2018 and has worked with 6a architects in London, Christ & Gantenbein in Basel, and OFFICE Kersten Geers David Van Severen in Brussels. From 2022 to 2025, she was a Research Associate and Teaching Assistant at the Chair of Architecture and Construction at the Technical University of Munich (TUM), led by Prof. Jeannette Kuo. In 2025, she taught at the Architectural Association Summer School "Exception", followed by "Learning from London" in 2026, both with Forms of Commons. Between 2025 and 2026, she was lecturing at the European Institute of Design in Turin in collaboration with Chiara Lionello. Since 2026, Margherita is a University Assistant and PhD candidate at the Chair of Gebäudelehre und Entwerfen at TU Wien.
